Amazing Spaces Gives Hope this Holiday Season

HOUSTON, TX - No child should be without a toy on Christmas, which is why Amazing Spaces Storage Centers has proudly partnered with the United States Marine Corps Reserves in their annual Toys for Tots toy drive. For over 50 years, every year during the Holidays, the USMC Reserves have collected toys for impoverished children across the US. Their mission has always been to bring a light of hope into needy children's lives, and Amazing Spaces is helping in that mission.

Amazing Spaces' Kristi Spurlock spearheaded company-wide participation in the program, with the help of Vice President Kathy Tautenhahn. Kristi put together an amazing marketing plan to get the word out, and donations have already started to come in. Showing that, given any chance, Houstonians come together to help give the gift of hope. Amazing Spaces and Houston are reminding everyone what the Holidays are all about.

All three Amazing Spaces locations will serve as drop off locations for any donations through Sunday, December 13th. Donations will be accepted during business hours in each property's office, which can be any new and unwrapped toy, regardless of gender.

With three locations in Jersey Village (10830 West Road), Champions (9040 Louetta Road), and The Woodlands (18250 IH 45 South), Amazing Spaces has delivered a first class storage experience to the Houston area for over 10 years. Their storage and moving experts are ready to provide solutions for self-storage, wine storage, moving supplies, and more. Since late 2008, Amazing Spaces has also offered Franchising opportunities. For more information about Amazing Spaces Storage Centers please contact Kathy Tautenhahn or visit www.amazingspaces.net and www.amazingspacesfranchise.com.

For additional information regarding the Tots for Tots program and the Marine Toys for Tots Foundation, please visit the link at www.usmcmarine1.org. Any questions regarding the program on a local level can be addressed by Carole Nemeč at (936) 931-5945 or cjnemeč@hotmail.com
